Dear Sirs,

Architectural Services Department
List of Acceptable Materials
Product Name : Anti-Slip Fixing system for Façade installation
Reference No. :1948P

I am pleased to inform you that approval has been given to include the above product/material in this Department's List of Acceptable Materials. Initially, this listing is for a **probationary** status and this will be reviewed after the submission of satisfactory performance reports on completion of projects undertaken by this Department where your product has been used. In order that your product will be maintained on the List, you are required to make current the information related to the captioned product, including the catalogue when it becomes necessary, and in no case later than **12 months** from the date of this letter.

The Architectural Services Department List of Acceptable Materials is a restricted internal document. This letter should not be used for commercial or marketing purposes and failure to comply with this may result in the **removal** of the product from the List.

Yours faithfully,

(P. Keeping)
